# NEW Essential Industry Titles

Each new book covers trends, technologies, market research, finances, glossaries and profiles of leading companies

## 3 New Titles Help You Understand the Evolution of Financial Industries

### Plunkett's Banking, Mortgages & Credit Industry Almanac 2006

1-59392-039-3 / with CD-ROM / November 2005 / \$279.99

The business of lending is changing at a rapid pace. Large amounts of business and consumer debt are now securitized, and non-bank firms, such as GE, are competitors in lending. International acquisitions are creating a globalized banking industry. This carefully-researched book is a guide to everything you need to know about the business of banking, credit cards, mortgages and lending.

### Plunkett's Insurance Industry Almanac 2006

1-59392-038-5 / with CD-ROM / November 2005 / \$279.99

The insurance industry is rebounding with higher premiums, increased use of underwriting information systems and increased cross-border investments and global acquisitions. Today, many services and technologies have a major influence on the insurance and risk management business, including e-commerce, call centers and information technologies.

### Plunkett's Investment & Securities Industry Almanac 2006

1-59392-040-7 / with CD-ROM / December 2005 / \$279.99

The investment industry is bouncing back due to improved corporate profits, low interest rates and increased globalization. This key reference tool provides industry analysis, statistics, a glossary, contacts, thorough indexes and in-depth profiles of over 300 leading companies.
